Dear Mr. Zettelmeier:

After further consideration, my client, Mulligan Enterprises Incorporated ("Mulligan"), has decided to facilitate Felt Up, Inc.'s ("Felt Up") request to terminate that certain Trademark License Agreement dated September 19, 2012 between Mulligan and Felt Up (the "License Agreement").

This letter shall serve as written notice under the License Agreement that Mulligan is terminating the License Agreement effective as of September 18, 2013 and there shall be no Renewal Term (as such term is defined in the License Agreement).

Feel free to contact me with any questions that you may have.

Very truly yours,
